Ref:
Delphi Corp Case # 05-44481 filed October 5, 2005
Document # 14705 to cancel OPEB (health insurance benefits) for all retirees

Dear Judge Drain:

This letter is to express my concerns with Document #14705 filed by Delphi Corporation
on February 4, 2009 asking the court to cancel health insurance benefits (OPEB) for over
15,000 people who are retirees of Delphi Corporation.

**Please note that this letter is an OBJECTION to that document and file it as
a motion to object to document #14705.**

I have been retired almost ten years and signed contracts with Delphi regarding my
retirement at that time. Since then Delphi has broken the deal (contract) many times.
One of the deals was to put $20,000.00 in a spending account in my name, and for me to
use it to assist with health insurance premiums. (my money, my account, in my name)
Now Delphi is planning to steal my money that was given to me. How could this be
justified?

With the current state of the economy, retirees who had saved for retirement in their
Stock Savings Plans, have lost almost 40% of their savings. As you know, the cost of
living has increased significantly in the last two years. This coupled with the loss of
health care benefits would have a crippling effect on the lives of every retiree of Delphi
Corporation.

It is my belief that there are other ways to restructure the company and still retain health
care for retirees. Health care benefits are currently scheduled to stop at the age of 65 for
all retirees. This cost is a decreasing cost to the company as each of us reaches that 65
age milestone.

Please know that each of the 15,000 retirees who will be negatively impacted by this
action will be looking to you for your consideration when making the decision
concerning Document #14705 dated February 4, 2009.

We ask you to REJECT this motion.

Sincerely yours,

Gary L. Wright
